Dear Patrons and Music Lovers,

We are celebrating our **35th Anniversary** in 2025 with concerts on Saturday, February 22nd @2pm and Sunday, February 23rd @3pm. We will take a musical walk down memory lane as our **conductor Emeritus, Les Muncaster** and his lovely wife and **vocalist, Marcia Muncaster**, join us for some spectacular tunes from over the years. **Our conductor J. Craig Lilly** will lead us with new music that is sure to entertain you. One of our own band members and lead trumpet player, **Dave Sandgren**, has written a piece with plenty of musical surprises. We will also honor our Veterans with a special selection called, **"Let Freedom Ring."** Preconcerts one-hour prior feature the group **Uniqulele**.

We will have a matching gift sponsor from the **Adam Hanson Better Communities Fund**. All the monies collected in our donation buckets will be matched. As an all-volunteer band made up of students, teachers, retired teachers, veterans and professionals, we appreciate your financial support which helps us pay for rehearsal and concert rental fees, new music, storage fees, insurance, and officers for our safety and protection.

Come join us,

Kathy Haldeman
